IAIR 2026 Technical Development Series

The Westin Tempe
Tempe, AZ

SPEAKERS

[Paige D. Waters](#) | [Stephanie O'Neill Macro](#)

Troutman Pepper Locke [Insurance Transactional + Regulatory](#) Partner [Paige Waters](#) and Counsel [Stephanie O'Neill Macro](#) will present “Ethics and the Use of Artificial Intelligence for Insurance Receivers,” at the IAIR 2026 TDS on October 7.

The session will examine how emerging AI tools intersect with the unique fiduciary, statutory, and ethical obligations of insurance receivers, offering practical guidance on responsible AI adoption in receivership practice.
