Wednesday, November 10 • 1:00 – 2:00 p.m. CT

Join Troutman Pepper Partner, Ashley Taylor, for a free IMS Insights live panel event: Data Breaches and Their Impact on Litigation Policy.

Technology connects us – but can expose any organization to security challenges that can disrupt daily operations and long-term business planning.

IMS Consulting & Expert Services will hold a free virtual live event to discuss trends in cybersecurity litigation and policymaking. Join our experts the Honorable Aaron Ford, Dr. Edwin Hernandez, Jennifer Schaller, Esq. and Ashley Taylor, Esq. for their insights into how data breaches are impacting the legal community.
