In Memoriam: Remembering Jeff Love

Locke Lord lost an extraordinary friend and lawyer when our colleague Jeff passed away on October 31, 2023. Jeff, who served as Chairman of our Houston office and was one of only a very few to hold the title of Senior Partner at the Firm, joined the Houston office as just the 24th attorney in 1976 and spent more than 45 years helping us all professionally and personally. He will be remembered as always representing the best of Locke Lord — he was our greatest cheerleader whose leadership, integrity, and significant and countless contributions to the community and to this Firm were unparalleled. Our thoughts and prayers are very much with all of his family.
