

Incident Response Cheat Sheet – Cybersecurity Awareness Month

WRITTEN BY

Sadia Mirza | Kamran Salour

For nearly 20 years, October has served as *Cybersecurity Awareness Month*. To highlight the importance of being cyber ready, we will release weekly tricks and treats as part of this four-part series to make your business more cyber savvy.

Who doesn't love a cheat sheet? For week two of Cybersecurity Awareness Month, we are sharing our "Incident Response Cheat Sheet" template. The template can be customized by businesses to improve the effectiveness of their incident response plan by ensuring that pertinent information needed at the onset of an incident is readily available.
