Peter Jeydel, leader of Troutman Pepper Locke's Sanctions + Trade Controls Practice Group, was quoted in the April 18, 2025 *Export Compliance Daily* article, "[Industry Preparing for Tighter China Restrictions, Penalties as Questions Surround BIS Policy](#)."

"If it has an export control dependency related to China, certainly from a commercial and just a good business perspective, you should be cautious on that right now," said Peter Jeydel, a lawyer with Troutman Pepper. "There's a lack of predictability."
