Locke Lord is a proud sponsor of Infocast's Solar + Wind Finance & Investment Summit taking place in Phoenix, AZ on March 10-13, 2024.

Infocast's Solar + Wind Finance & Investment Summit in 2023 gathered an unprecedented number of leading industry players to network, make deals, and get fully briefed on the renewables markets. This exceptional event is back to once again gather a who's who for phenomenal deal-making and strategizing opportunities. One year into the Inflation Reduction Act and the industry is still figuring out the new normal, with lingering supply issues, inflation, and interest rate hikes on the one hand and expanded tax credits, transferability, and long-term policy certainty on the other. This is a particularly critical year to attend Solar + Wind Finance & Investment Summit for a deep dive into how IRA guidance is affecting assumptions and how the emerging transferability market is creating a whole new outlook on financing possibilities.
