March 17–19, 2025

The INSOL Conference will return to Hong Kong on March 17-19, 2025, marking the first time the event has been held in the city since 2014.

Much has evolved in the intervening years, and Hong Kong's reputation as one of the world's most dynamic and exciting financial centres endures. As the gateway to Asia and a global financial powerhouse with a robust insolvency framework, the city provides the perfect stage to explore the critical questions and complex challenges facing our industry.
