---

Troutman Pepper Locke is proud to host the 2025 Insurance Forum on November 12 in Chicago. Paige Waters will moderate a panel discussing life insurance hot topics.

Attendees will obtain an increased understanding of the changes taking place in the insurance industry and the major legal, operational, accounting, and regulatory issues facing insurers and consumers of insurance.

#### Topics:

- Life Insurance Hot Topics
- Strategic Transactions for Mutual Insurers: A Guide to Demutualization and MHC Conversions
- Commissioner Discussion Panel
- NAIC Updates Regarding Machine Learning AI, Innovation, Data Security & Privacy Protections, and Emerging Technology Issues
- AI, Deepfakes and Insurance

Registration is complimentary and CLE will be provided.

### RELATED INDUSTRIES + PRACTICES

- Artificial Intelligence
- Insurance + Reinsurance
- Insurance Transactional + Regulatory
