Intellectual Property and the Financial Services Industry: Recent Developments that Inhouse Counsel Need to Know

Zoom

SPEAKERS

[Robert A. Angle](#) | [Christopher J. Forstner](#)

Tuesday, November 28 • 2:00 – 3:15 p.m. ET

This presentation will cover recent developments in the field of intellectual property that impact the financial services industry. The presentation will cover the use of generative AI and the ownership of related intellectual property rights, recent precedent affecting the enforcement of IP rights, pending legislation on patent subject matter eligibility, and other recent events.
