# Interview With Freeman Hall, Co-Founder and President of B2U Storage Solutions

## Battery + Storage Podcast

### SPEAKERS

[William R. Derasmo](#)

---

Troutman Pepper energy partner Bill Derasmo talks with battery and storage experts from across the industry. The podcast shares the unique perspectives of industry veterans and thought leaders, exploring how they are deploying this new and exciting technology.

In this episode, Bill interviews B2U Storage Solutions Co-Founder and President Freeman Hall. B2U Storage Solutions repurposes lithium ion batteries that have exhausted their useful life for transportation, giving them a second life in optimizing stationary storage solutions.
