Interview With Mike Niggli, Chairman of ESS, Inc.

Battery + Storage Podcast

SPEAKERS

William R. Derasmo

Troutman Pepper energy partner Bill Derasmo talks with battery and storage experts from across the industry. The podcast shares the unique perspectives of industry veterans and thought leaders, exploring how they are deploying this new and exciting technology.

In this episode, Troutman Pepper Partner Bill Derasmo interviews Mike Niggli, chairman of ESS, Inc., an Oregon-based manufacturer of low cost, long duration iron flow battery solutions for commercial and utility-scale applications. Tapping into Mr. Niggli's wealth of experience, including his tenure as former president and COO of San Diego Gas & Electric Company, the interview explores the significant role of iron flow batteries and the part ESS, Inc.'s solution plays in the continuing transformation of the energy sector.
