Introduction to *No Infringement Intended* Podcast

No Infringement Intended

SPEAKERS

[Christopher C. "Rusty" Close Jr.](#) | [Austin Padgett](#)

No Infringement Intended is your go-to podcast for exploring the fascinating intersection of intellectual property and pop culture. Join hosts Rusty Close and Austin Padgett as they delve into the IP issues that shape the world around us. From Taylor Swift's re-recording of her music to the murky legalities of fan fiction, this podcast offers insightful discussions that both educate and entertain. Tune in for a fresh perspective on how IP influences the media and personalities you love.

In this episode, Rusty and Austin introduce the concept of using pop culture to explain IP concepts. They aim to make IP law more accessible and engaging by discussing real-life scenarios and popular culture events.
