Introduction to Transactional Closings

Zoom

Wednesday, June 28 • 1:30 – 2:30 p.m. ET

Alex Chiang, vice president of customer success at Simply Agree, will present to Troutman Pepper on Transactional Closings 101. This 60-minute program will cover:

- General transaction structure
- Closing mechanics
- Signature packets
- Types of signature collection
- Compilation of transaction documents
- Closing binders

About SimplyAgree

SimplyAgree is a leading signature and closing management platform used by transactional attorneys in Global 100, Am Law 100, Am Law 200, and boutique law firms. The software provides closing support for sophisticated M&A, private equity, venture capital, commercial finance and commercial real estate practices, having been used to close transactions worth billions of dollars. SimplyAgree streamlines the administrative aspects of a closing—from creating signature packets to building closing binders—to increase efficiency and reduce post-closing write-offs, resulting in a closing process up to 80% more efficient for firms and their clients. For more information, visit <https://simplyagree.com>.
