April 28 – 29, 2022

Troutman Pepper is one of the founding sponsors of the Invent Penn State Venture & IP Conference.

The IPSVIP Conference is one of the largest tech startup conferences in the Mid-Atlantic. The conference highlights innovations from high growth and emerging markets including IT, Energy, Advanced Manufacturing, Biotechnology, Healthcare, B2B, and B2C among others. The 2022 conference is expected to be an even bigger draw than past years. We cannot wait to introduce you to these remarkable trailblazers and to celebrate the spirit of innovation and entrepreneurship that is embraced at Penn State.

Call for investors – find your next investment! Invent Penn State is currently looking for venture capital and angel investors to participate in Venture Connection during the 2022 IPSVIP Conference. Venture Connection is the paramount portion of the conference.

During Venture Connection Invent Penn State pairs investors with up to two dozen screened and viable entrepreneurs who meet your financial, geographic, and industry requirements.

Investors, the deadline for applications is March 4, 2022.

Mike Jones is a member of the conference's Program Committee and Jay Jumper is a member of the Coaches Committee. Mike and Jay are members of Troutman Pepper's Emerging Companies and Venture Capital practice. Learn more about our unique SEED™ program which provides innovative and affordable opportunities to startups and early-stage emerging companies with a solid technology or scientific foundation.
