Invest:Insights Interview – Creatively Handling Deals in Today’s Market

RELATED PROFESSIONALS

[Walter D. Fisher, Jr.](#)

With increased interest and investment pouring into multistate and multitenant transactions, the need to be more creative has never been more important in handling these transactions and client demand. *Invest:Insights* sat down with Walter Fisher, Charlotte office managing partner for Troutman Pepper, to discuss how he and his team approach deals given the current commercial real estate market.
