Investor-State Arbitration and the International Construction Sector

WRITTEN BY

R. Zachary Torres-Fowler | Jamey B. Collidge | Cindy J. Lee

Troutman Pepper attorneys Zach Torres-Fowler, Jamey Collidge, and Cindy Lee authored the “Investor-State Arbitration and the International Construction Sector” chapter in the book *Hospitality & Construction Disputes Post-COVID*, which is volume six of *International and Comparative Business Law and Public Policy*.

The hospitality and construction industries are international economic drivers, with complex economic relationships and diverse legal issues. Cases and rulings are not static and move along a continuum in time and context. The evolution of legal agreements and disputes in hospitality and construction are not confined to any sort of strict schedule.

This volume addresses the many cases and experiences of parties, counsel and arbitrators during the pandemic, and discusses issues such as key contract provisions, the impact of the COVID pandemic on investment treaties, and access to arbitral institutions.
