March 4 – 5, 2024

Troutman Pepper is proud to sponsor IP Watchdog's Second Annual Artificial Intelligence Masters™ program – a part of the IPWatchdog Masters™ series. This high-level, interactive, limited enrollment program will be held in person at IPWatchdog Studios, in Ashburn, Virginia. Discussions will be led by top thought leaders in the industry and will cover specific technical and legal areas relating to artificial intelligence (AI) and machine learning (ML).

Chris Forstner will be speaking during the session "Technology Transactions: Coping with Evolving Legal Risks Associated with AI and ML" at 10:10 a.m. on March 5.
