Issues To Be Aware of: Project Specific Policies, Additional Insured Coverage, Design-Build, and Retroactive Dates

Webinar

SPEAKERS

James A. Hazlehurst | Ryan C. Tuley

Tuesday, August 20 • Webinar • 9:00 – 10:00 a.m. PT

This training covers a variety of topics claims handlers encounter under professional liability policies for design professionals and under environmental policies. Topics will include coordinating coverage with project specific insurance policies, understanding the scope of additional insured coverage and potential conflict issues that arise with additional insureds, recognizing the scope and limitations of coverage for insureds that perform both design and construction work, and understanding the purpose of retroactive dates and how they operate.

This session is pending approval for MCLE credit for California, Illinois, Georgia, New York, and Pennsylvania. Troutman Pepper will automatically seek credit in the states where we have office locations unless state restrictions apply. Credit for other jurisdictions may be available upon request. For those licensed in California, Illinois, Georgia, New York, and/or Pennsylvania, certificates will be distributed within 30 business days. If you have questions about CLE credits, please email CLE Management at CLEManagement@troutman.com.

Please contact Marissa Burcham at marissa.burcham@troutman.com for more information.
