Misha Tseytlin, leader of Troutman Pepper Locke's Appellate + Supreme Court Practice Group, was quoted in the March 25, 2025 *Bloomberg Law* article, "[Justices Suggest Flexible Rule for Where to Bring EPA Suits.](#)"

Troutman Pepper attorney Misha Tseytlin, who represents one of the group's challenging the EPA's actions, accused the government of "venue manipulation." The EPA essentially says it "can always get into the D.C. Circuit," by either packaging its decisions altogether or pointing to some general reasoning, Tseytlin said.
