Key Tax Issues Facing Electric Utilities in 2021

SPEAKERS

Adam C. Kobos | Roger S. Reigner Jr. | Anne C. Loomis

Thursday, March 4 • 11:00 a.m. - 1:00 p.m. ET

The program will cover some of the key tax issues facing electric utilities in 2021, including potential tax legislation, the latest developments for renewables, recent TCJA guidance, and normalization issues in tax equity structures.
