Key Workplace Issues in Antitrust Enforcement

SPEAKERS

Daniel N. Anziska | Seth T. Ford | Megan Conway Rahman

Thursday, October 27 • 12:00 – 1:00 p.m. ET

As federal labor and antitrust regulators unite to address enforcement blind spots, companies potentially face greater government scrutiny of their workforce practices. Please join us for a multidisciplinary, collaborative webinar with members from our Labor and Employment; Antitrust; White Collar; and Business Litigation teams as they share best practices and discuss recent legal developments on these issues. The webinar will provide insight into the different agreements affecting employment relationships, including noncompetes, "no poach" agreements, and nonsolicitation clauses. We will also discuss the risks associated with those agreements and how best to avoid them.

This program is approved for MCLE credit for California, Illinois, New Jersey (through reciprocity), and New York (newly admitted and experienced). Troutman Pepper will automatically seek credit in the states where we have office locations unless state restrictions apply. Credit for other jurisdictions may be available upon request. For those licensed in California, Illinois, New Jersey, and/or New York, certificates will be distributed within 30 business days. If you have any questions about CLE credits, please email CLEManagement@troutman.com.
