Dallas Partner [Kip Mendrygal](#) has been selected as a member of the Dallas Regional Chamber's premier leadership program, Leadership Dallas. The 2022 class brings together a group of change-makers, innovators and executives who are committed to serving the community.

One of only 55 leaders to be selected for the 2022 class, Mendrygal focuses his practice on white collar investigations and defense involving public companies, private entities, financial institutions, corporate executives and high-profile individuals in connection with a variety of confidential and highly sensitive civil, criminal and regulatory investigations.

Leadership Dallas is a nine-month educational program that provides lectures, discussion groups, projects and other activities that prepare participants to understand and address the challenges and opportunities facing the Dallas Region.
