Class Arbitration – Two Cautionary Tales for Employers

The Supreme Court's 2018 decision in *Epic Systems Corporation v. Lewis*, 138 S. Ct. 1612 (2018), validated the use of class action waivers, providing employers with a valuable tool to preserve bilateral employment arbitrations and manage risk. [read more](#)

Avoiding OSHA Whistleblower Claims During the COVID-19 Pandemic

As the number of employees who return to the workplace continues to increase, complaints from employees and refusals to work also have escalated. [read more](#)

Has Your Retirement Plan Experienced a Partial Plan Termination?

The economic uncertainty of the COVID-19 pandemic has forced many employers to furlough or layoff a significant percentage of their workforce. [read more](#)

California's Expanded Family and Medical Leave Act Imposes Additional Employer Obligations

On September 21, 2020, California Governor Gavin Newsom signed into law Senate Bill 1383, considerably expanding California's family leave laws, codified as the California Family Rights Act (the "CFRA"). [read more](#)

OSHA Issues Coronavirus-Related Citations

As we all continue to adjust to the "new normal" brought on by COVID-19, employers across the country are recovering from the whiplash caused by the (at times contradictory) rules and regulations federal, state, and local government agencies have issued over the last several months. [read more](#)

AB2257: Not Much Better Than AB5 for Most Industries in California Using Independent Contractors

Many independent contractors complained of dire consequences when Assembly Bill 5 ("AB5") became effective in California on January 1, 2020. Following intense lobbying and public relations campaigns, independent contractors in 15 industries have been added to AB5's list of freelancers eligible for exemption from California's version of the so-called "ABC" test for determining independent contractor status. [read more](#)
