Latest FDIC Merger Proposal Threatens Approval Timelines, Due Diligence Process

RELATED PROFESSIONALS

[James W. Stevens](#)

James Stevens, co-leader of Troutman Pepper's Financial Services Industry Group, was quoted in the May 13, 2024 *S&P Global Market Intelligence* article, "[Latest FDIC Merger Proposal Threatens Approval Timelines, Due Diligence Process.](#)"

"People will be less inclined to get those kinds of reports as a result of that, and if they get those reports, they will try to get them done in a way that minimizes the reports themselves [from] creating an issue that regulators are going to be concerned about," James Stevens, partner and co-leader of Troutman Pepper Hamilton Sanders LLP's Financial Services Industry Group, said in an interview.
