Proud to sponsor the Networking Reception on Monday, May 23 during the Mortgage Bankers Association's Legal Issues and Regulatory Compliance Conference in Miami on May 22-25, 2022.

This is the premier event for legal and compliance professionals in real estate finance. This conference continues to be the source for the most comprehensive and up-to-date information on regulatory initiatives, recent litigation, current and upcoming legislation, and enforcement activity impacting the single-family market.
