Life Sciences Future – MedTech 2022

LSPA Offices

411 Swedeland Road
King of Prussia, PA 19406

Troutman Pepper is a proud sponsor of the 2022 Life Sciences Future – MedTech taking place on Wednesday, July 20, and Thursday, July 21. The conference will include the most popular event features and will focus on various topics within the medical device, diagnostics, and digital health industries. Sessions throughout the two-day event will include:

- Company Reverse Pitches
- Investor Reverse Pitches
- Keynote Speakers
- One-on-One Partnering
- Scientific Poster Sessions
- In-Person Sessions (held on Wednesday, July 20 only)
- In-Person Networking Reception (held on Wednesday, July 20 only)

This year's event will be held as a hybrid format. There will be a half-day session on Wednesday at the LSPA Offices; and Thursday's sessions will be held virtually on event platform.
