Troutman Pepper is proud to sponsor the Life Sciences Pennsylvania Annual Awards Dinner on May 3, 2023.

The Annual Awards Dinner is an intimate ceremony that celebrates the achievements of leaders in the life sciences community. This refreshed event will include a smaller crowd of approximately 170 attendees, an exclusive opportunity to network with life sciences leaders throughout Pennsylvania and beyond. A prestigious invite-only gathering provides a unique opportunity to meet and connect with LSPA Board Members, awardees, finalists, and dinner sponsors.
