---

Join Locke Lord and InsurTechNY for the InsurTech Legal Academy Webinar Series, highlighting legal and regulatory issues impacting the insurtech industry. On June 28, [Brian Casey](#) and [Zachary Lerner](#) will present “Surplus Lines Insurance for InsurTechs” at 1:00pm ET. Each quarter, we’ll tackle a new and relevant topic.

This webinar will focus on the intricacies of the excess and surplus lines insurance market, including the legal challenges facing insurers, brokers, adjusters and insureds. It is a common misconception that the non-admitted insurance space is unregulated, but in reality the surplus lines market comes with its own unique and nuanced legal challenges that vary from state to state. Tune in to learn about the surplus lines market and the common misconceptions and legal hurdles that must be navigated by the insurance community.
