Locke Lord Named to BTI Consulting Group's List of Law Firms Best at Meeting Novel, New and Strategic Needs

Locke Lord has been named by BTI Consulting Group to its list of Law Firms Best at Meeting Novel, New and Strategic Needs as part of its recently released report BTI Leading Edge Law Firms 2024: Law Firms Creating the Future with and for Clients. Based on in-depth interviews with general counsel, the list recognizes firms that are serving as the source of new ideas; developing brand new strategies and thinking; bringing tech savvy in delivering services; using and understanding key aspects of generative AI; and offering creative interpretations of existing rules and regulations.

Previously, the Firm was named by BTI to its Client Service A-Team, recognizing firms that have demonstrated exceptional performance in client service. In addition, BTI named Locke Lord among its Most Recommended Law Firms, recognizing firms that top legal decision makers recommend above all others.
