Locke Lord Named to Modern Healthcare's 2021 Largest Health Care Law Firms List

RELATED PROFESSIONALS

Denise Hanna

Locke Lord's Health Care Practice Group has again been named to Modern Healthcare's Largest Health Care Law Firms list, ranking No. 28 in the most recent edition, based on the number of health care lawyers in 2021. The Health Care Practice Group is co-chaired by Washington, D.C., Office Managing Partner **Denise Hanna**.

Locke Lord's Health Care Practice Group represents health industry businesses in regulatory matters, transactions and litigation. The Firm has extensive experience in multistate and federal regulatory compliance, deal work, including private equity investment, M&A, joint ventures and other strategic alliances, government relations, enforcement matters and litigation. Our clients range from hospital systems, health plans, health industry intermediaries and health information technology companies to investors and strategic buyers.
