Locke Lord has been ranked among top law firms in the UK in the 2022 edition of the World Trademark Review (WTR) 1000, and one lawyer in Locke Lord's London office has been recognised among the world's leading trademark practitioners in England.

WTR notes that “thanks to a base in Brussels, 18 offices around the United States and a cosmopolitan team which includes practitioners qualified in multiple jurisdictions, [Locke Lord] offers a global service that few can rival.”

Now in its 12th year, the WTR 1000 shines a spotlight on the firms and individuals who are deemed outstanding in trademark law.
