In the companion podcast to our recently published [client advisory](#), Troutman Pepper Partners Emily Zimmer and Constance Brewster delve into the intricacies of the SECURE Act, also known as SECURE 1.0, and its successor, SECURE 2.0. They discuss the significant changes brought by these rules, the proposed regulations issued to clarify how these rules are applied, and the steps company-sponsored plans should be taking now.

We are excited to announce that we will be hosting our annual webinar in September, which will provide a comprehensive look at the future landscape of employee benefits and executive compensation.
