# Marvel, DC Super Hero Trademark Loss Shows Danger of the Generic

## WRITTEN BY

Michael D. Hobbs, Jr. | Di'Venci K. Lucas

---

It didn't take a Legion of Doom to strip Superhero trademarks of their powers—only a cancellation petition. But the loss for Marvel and DC Comics offers an instructive look at the strategy for challenging a mark as generic or abandoned, as well as a cautionary tale for trademark owners seeking to maintain rights in their trademark registrations.
