**Kip Mendrygal** is speaking at the Mortgage Bankers Association's Risk Management, QA and Fraud Prevention Forum 2020, taking place September 15-16, 2020 via live-stream.

This is the annual event for mortgage professionals in the risk, quality control, underwriting and fraud prevention divisions of residential mortgage firms. The program will feature dynamic sessions, the opportunity for Q&A with speakers and industry peers. Attendees receive executive guidance from GSEs and the FHA on loan quality, fraud prevention strategies, measuring and tracking loan defect rates, managing vendors, minimizing loan risks and more.
