Washington, DC

SPEAKERS

[Tracey E. Diamond](#)

September 9 – 10, 2025

Tracey Diamond will present “Artificial Intelligence in Mortgage HR: Transforming Talent, Compliance and Culture” as part of MBA’s Human Resources Symposium 2025. Tracey’s panel will take place on Tuesday, September 9, from 1:45 to 2:30 p.m. ET.

The panel will cover the the following topics:

- How AI is being applied in the HR function – from recruiting and resume screening to onboarding and training.
- Legal and ethical implications of AI in hiring decisions, including fairness, bias and compliance with employment laws.
- Emerging responsibility of HR to develop internal AI usage policies that address risk and guardrails.
- Key components of an effective AI usage policy.
