Several Troutman Pepper attorneys were mentioned in the *Law360* article, "[Meet the Attys Leading Philly's Newest Mass Tort Programs](#)," about the pending personal injury complaints against companies including Monsanto, Syngenta and Pfizer. The Philadelphia County Court of Common Pleas has established three new mass tort programs aimed at coordinating these cases.

Partner Barry Boise is leader of the Troutman Pepper defense liaison team for the paraquat mass tort.

Troutman Pepper partners Sean Fahey and Halli Cohn are serving as brand defendants' liaison counsel team for Boehringer Ingelheim pharmaceuticals, a manufacturer of Zantac.
