The Metro 2® requirements for credit reporting present challenges and opportunities for furnishers of consumer data. In this informative webinar, members of Troutman Pepper's nationally-ranked Consumer Financial Services practice will discuss key Metro 2® requirements with a focus on best practices for navigating the intersection between Metro 2® technical requirements and the courts' and regulators' evolving interpretations of the Fair Credit Reporting Act (FCRA).

Troutman Pepper will automatically seek credit in the states where we have office locations unless state restrictions apply. Credit for other jurisdictions may be available upon request. For those licensed in California, Illinois, New Jersey, and/or New York, certificates will be distributed within 30 business days. If you have any questions about CLE credits, please email CLEManagement@troutman.com.
