SPEAKERS

[Jennifer Shea Knox](#)

Jennifer Knox will speak on Microsoft Data Lifecycle Management as part of the Microsoft Purview Best Practices hosted by Microsoft and Consilio. This in-person roundtable event will take place on Thursday, September 11, from 9:00 a.m. – 12:30 p.m. ET.

Microsoft will give a “State of the Union” address, discuss the finer points of cloud and data security and share the product roadmap for Security and Compliance workloads. Consilio will perform an in-depth demonstration of the Purview Standard and Premium eDiscovery functionality and discuss what happens to your data after export.
