September 27 – 28, 2023

This clinic is intended to provide deposition training and give associates a chance to practice their skills in a mock deposition, followed by feedback and critique from some of our best lawyers. Associates will use the NITA case study *BMI vs. Minicom*.

Participants were nominated by their practice manager. The training is approved for MCLE credit in California, Illinois, New Jersey (through reciprocity), New York, and Pennsylvania. We will seek credit for all other states we have office locations. Please email CLEmanagement@troutman.com for more information or to register.
