The Inflation Reduction Act has ushered in a variety of new products, opportunities, and potential investors. Troutman Pepper Partners Vaughn Morrison and John Leonti discuss the opportunities and challenges that accompany an Investment Tax Credit for storage, including offtake strategies required to render standalone storage financeable by conventional tax equity investors and the pros and cons of pursuing the IRA's new ITC transfer option in lieu of tax equity.

The energy sector is currently undergoing seismic change and with that change comes tremendous opportunity. Our energy video series, which features nationally recognized Troutman Pepper partners as they discuss a vast array of unique and complex challenges that face the energy industry.
