Gwendolyn Tawresey, a partner in Troutman Pepper Locke's Intellectual Property Practice Group, was quoted in the March 11, 2025 *Law360* article, "[More ITC Patent Cases Expected After Fed. Circ. 'Sea Change'](#)."

Gwendolyn Tawresey of Troutman Pepper Locke LLP had a different view, saying that while the Federal Circuit holding "definitely makes it more possible for companies that are not manufacturing in the United States to meet the domestic industry requirement," the ITC's *Lashify* decision in the case was an outlier, and sales and marketing had not specifically been excluded by the commission before then.
