Paige Waters and Stephanie O'Neill Macro's article, "[What's in the NAIC's Draft AI Bulletin](#)," was quoted in the December 12, 2025 *InsuranceNewsNet* article, "[NAIC's 2026 AI Evaluation Pilot Moves Ahead as Industry Balks](#)."

The bulletin is not a model law or a regulation. It is intended to "guide insurers to employ AI consistent with existing market conduct, corporate governance, and unfair and deceptive trade practice laws," the [law firm Troutman Pepper Locke](#) explained.
