Troutman Pepper Locke attorneys [Noah DiPasquale](#) and [Chris Capurso](#) will be speaking at the National Consumer Reporting Association's Elevate 2026, to be held November 10-12 in New Orleans, LA.

Noah DiPasquale – Wednesday, November 11, 9 a.m. to 9:45 a.m.

“Reseller Liability: Old Risks, New Twists”

Through an unintended quirk in the FCRA, resellers are regularly sued for alleged errors that they did not create, allowing plaintiffs to “double-dip” on their alleged damages by suing resellers, in addition to the issuing CRAs.

Noah DiPasquale and Rebecca E. Kuehn, of HudsonCook, LLP, will share an update on litigation trends facing resellers and offer strategies for resellers to combat these challenges.

Chris Capurso – Wednesday, November 11, 11:35 a.m. to 12:20 p.m.

“Litigation, Regulation, and Legislation, Oh My!”

There is a lot to fear for tenant screening companies when it comes to litigation, regulation, and legislation.

Chris Capurso and Jay Harris, of HudsonCook, LLP, will help break down new trends affecting tenant screening companies and discuss how to address them in the courts and beyond.
