A 2022 [annual report](#) from the [National Veterans Legal Services Program](#) (NVLSP), a nonprofit organization that since 1981 has helped military veterans obtain the benefits they've earned, highlighted several of the 15 cases Troutman Pepper handled with the NVLSP that year, and thanked 34 firm attorneys who devoted time on matters ranging from obtaining combat-related special compensation to cases under the Servicemembers Group Life Insurance Traumatic Injury Protection program. The report noted that Troutman Pepper and NVLSP's many other law firm partners donated 73,000 pro bono hours to helping veterans obtain benefits and other relief.
