# National Veterans Legal Services Program Matter Type Training

Virtual

---

**Wednesday, October 23 • 3:00 – 4:10 p.m. ET**

Troutman Pepper Pro Bono invites you to join us during Pro Bono Week for a CLE Training webinar with the National Veterans Legal Services Program! This course, instructed by staff attorneys of the National Veterans Legal Services Program, will explain the scope of the NVLSP's work and the Lawyers Serving Warriors program. The program will cover Combat-Related Special Compensation awards, Discharge Upgrades, and the Servicemembers' Group Life Insurance Traumatic Injury Protection Program. By attending the program, you will be able to define these topics, identify arguments commonly made for and against veterans acquiring benefits associated with these matters, and better serve military veteran clients. Staff members from NVLSP will also discuss how you can get involved in veterans pro bono work.

We hope to see you there!
