David Navetta, a partner in Troutman Pepper Locke's Privacy + Cyber Practice Group, was quoted in the March 27, 2025 *IAPP* article, "Navetta Discusses Combining Legal Knowledge With Tech Advancement." In the article, David discusses his journey in privacy, challenges and lessons learned along the way, and more.

"I sit between a lot of very different people with different viewpoints who sometimes speak different languages effectively, and I try to make it all work for them, whether it be a privacy issue or a data breach," Navetta said.
