Navigating a Challenging Landscape: Funding Sources, Strategies, and Best Practices for Businesses

Virtual

SPEAKERS

[James B. Jumper](#)

Troutman Pepper Locke Partner Jay Jumper will be speaking on a panel for a webinar hosted by CBIZ.

During this virtual event, panelists will provide a comprehensive overview of how strategic thinking, emerging best practices, and the latest trends can empower companies to successfully secure and manage funding in a rapidly changing environment.

Topics of discussion will include:

- The current funding landscape
- Funding pathways
- Strategies for success
- Legal and compliance considerations
- Investor relations
- Best practices
