Navigating Emerging Privacy Issues in Financial Services

The Consumer Finance Podcast

SPEAKERS

[Kim Phan](#) | [Chris Willis](#)

In this episode of *The Consumer Finance Podcast*, Chris Willis is joined by privacy Partner Kim Phan and Rami Haddad, deputy general counsel at PRA Group. This episode delves into a range of emerging privacy issues impacting the financial services industry. The discussion covers the evolving landscape of state privacy laws, the implications of the new Colorado AI law, and the challenges posed by online tracking technologies. The episode also highlights recent updates to the FTC's Gramm-Leach-Bliley Act Safeguards Rule and explores the ramifications of a recent SEC enforcement case related to cybersecurity. Tune in for an insightful conversation on how these developments are shaping the regulatory environment for financial institutions.
