Navigating Ethical Pitfalls with Generative AI

Zoom

SPEAKERS

[Alison A. Grounds](#) | [Jessica Kozlov Davis](#)

Wednesday, November 20 • 2:00 – 3:00 p.m. ET

Join eMerge Managing Partner Alison Grounds and Troutman Pepper ICS Director & Ethics Counsel Jessica Davis as they discuss the dynamic landscape of Generative AI, including its practical applications and potential benefits. They will also delve into the ethical considerations that arise with this technology. The session will provide insights on how to navigate and mitigate these challenges, ensuring responsible AI deployment. This webinar is essential for professionals seeking to understand the ethical implications of AI and promote ethical practices in technology.

This session is approved for Ethics MCLE credit for California, Florida, Illinois, New Jersey (through reciprocity), New York (newly admitted and experienced) and Pennsylvania. Approval for Ethics MCLE credit is pending in Georgia, Ohio, and Virginia. Credit in additional jurisdictions may be available subject to state restrictions. For those licensed in California, Illinois, New Jersey, New York, and/or Pennsylvania, certificates will be distributed within 30 business days. If you have questions about CLE credits, please email [CLE Management](#).
