Navigating Intellectual Property Challenges in the Renewable Energy Sector

Energy Law Insights

SPEAKERS

[Gregory D. Len](#) | [William D. Belanger](#)

Join Troutman Pepper Partners Bill Belanger and Greg Len for an insightful discussion on the evolving landscape of intellectual property (IP) within the renewable energy sector. Discover the increasing trend of patent infringement litigation, the importance of a robust IP strategy, and real-world examples of how companies can protect their innovations. Learn about the risks and opportunities for businesses, and hear compelling stories of how strategic IP management can lead to successful business outcomes.
